Tracking # 06075386 - Our Ref.: 547-USA**

This is with reference to your today's fax and our telephone conversation.

You have requested that we acknowledge foreign priority in this case. We enclose a copy of the filing certificate of the priority Canadian Application. If this is not satisfactory, we can order the priority document and send it to you in a few days.

However, we are prepared to withdraw the priority claim if this is possible at this stage.

Thus, if the copy of the enclosed filing certificate is not satisfactory, please withdraw the priority claim and issue the patent without it.

Respectfully submitted,

George J. Primak
